

August 4, 2014

Mr. Piter Garcia
104-40 Queens Blvd., Apt #12U
Forest Hills, NY 11375

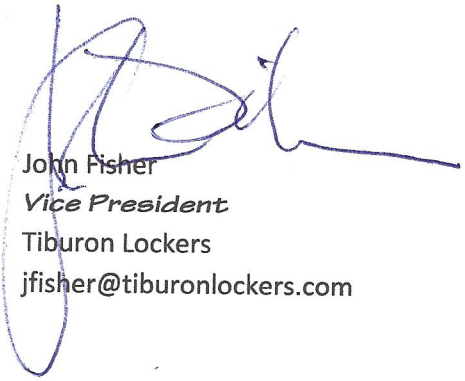

Dear Piter,

I am pleased to offer you the Co-Op position as Software Engineer with Tiburon Lockers. You will begin your program on September 9, 2014 and run until January 23, 2015. You will report to our New Jersey office and will be required to work 28-35 hours per week.

You will report directly to me with secondary reporting to Robert Dockweiler. You will be bound by the terms in our Non-Disclosure Agreement. You will be entitled to standard observations of holidays. Tiburon will reimburse you for expenses during the course of the program. There may be a requirement for you to attend a one day familiarization session at our Maryland location. Transportation will be arranged for you.

Your main duties will be to assist with the re-development of our products and to support our office with an outside development company.

We look forward to welcoming you aboard and to a successful future.

John Fisher
Vice President

Tiburon Lockers
